# De Colores!

VOLUME 33, ISSUE 1

January 17, 2012

Greetings Brothers and Sisters in Christ:

Trusting in the Lord, I have agreed to rerun as your Lay Director. I have not taken this responsibility lightly, and I have often asked for your prayers in my correspondence with you. This year will be no different, either with my election or the election of another person. Prayers are the backbone of this movement and they are needed. Thank you, Lord for this community!

Over the last year, we have had several people resign from secretariat; I am grateful for their wonderful service to this Via de Cristo. Others have agreed to fill their shoes, not always an easy task. But we have a good board, some with many years of experience, others new, some men and some women. We can do all things through Jesus Christ our Lord. We are counting on him to help us.

We each face the challenge of twenty four hours in a day. That does not change. It is not always easy to make time for reunion group or Ultreyas; yet they are vital to help us walk with the Lord. I recently have had to resign from my Monday Morning Reunion Group to be available to help my parents. I am looking into another reunion group. Many of you have let me know you need a reunion group. Groups are needed in Wooster, Brunswick, Akron and probably other places as well. If you would be willing to add members to your reunion group, please let me know. We will try to post some groups on our newly designed website. If you are looking for a group, please let me know your area.

We have also started to keep a donor page in each newsletter. We are grateful for the people who remember us with the gifts of money, especially during these uncertain times. We are grateful for the teams that assemble and that pay their way to work a weekend. So many people in the VdC community come together to host the team meetings with refreshments, lunches, dinners, etc. Our weekends could not happen without you. More importantly your prayers for the weekends are invaluable. By sending notes or letters to the pilgrims as well as to team, you encourage us all. There are numerous other ways that you help to inspire us. Praise God for this wonderful community.

Please come join us for a potluck luncheon for the Annual Meeting, listen to Pastor Al Sager give us a message, and worship with us as Pastor Ed Simonsen leads us. Music will be led by Mary McGinnis; all musicians are welcome. We will vote on Lay Director and Secretary this year. The rest of the board is appointed, and I am grateful for their continued support.

I like to share examples from my Fourth Day. In our weekly Bible study at my church, we are studying Romans. There is so much there to read and understand. It's interesting that Paul writes to them but yet has never visited them. He wants to go but needs to go to Jerusalem first. He hopes that the Romans will finance

his trip to bring the Word of the Lord to Spain. We have only just started this book, but it is exciting to hear his words.

On Sunday mornings, we are studying Adam Hamilton's Christianity and World Religions. You might remember Pastor Adam has written [When Christians get it Wrong](#). We studied that last year and it was a terrific book. There are so many good books out there – the best being the Bible! Do you read it? I have down loaded it onto my Kindle so I have it with me especially when I travel.

At St. Paul – Sharon Center, we are in the midst of talking about renovations. It sometimes happens when part of your building is over one hundred years old. A book, [Ask, Thank and Tell](#) was recommended to us. It really is a book about stewardship, and I have only read the first two chapters but it is awesome! Each and every member is important to the body of Christ.

Last year, one of my projects (new ideas are always welcome and require someone to get them started) was to help our Sharing Center (food pantry). So our Prayer Shawl – Scarf Ministry was formed. We met twice a month to knit or crochet scarves for the people who use our pantry. We spend some time in fellowship, prayer and have fun working on these projects. These scarves have helped the people who use the pantry to keep warm – even though we have had a mild winter. We have made several prayer shawls that have been given to members who experience a loss or a miracle.

Once again, we ask for your help. Could you send us an article on the impact of your weekend on your life? Was it the first time you ever heard that Jesus died *just for you*, all this *just for you*? If you have never taken the time to write an encouraging note to someone, please do. After my weekend, I did this regularly for my Pastor, and when he moved on to another church, he was able to pass on the encouragement he received. We all need each other and community.

I have been blessed to be your Lay Director for the past two years. I hope and pray that your walk with the Lord be a blessing to you and others in your life.

Cathy Doering  
Lay Director

Will you share with the Via de Cristo Community how God has reached into your soul? Will you tell us how He has touched you, either on you Weekend or during your Fourth Day since your Weekend? Perhaps you can tell about how He has used you to touch someone else in His name. Your story can be simple or grand. Send it to me at [vdcnewsletterohio@earthlink.net](mailto:vdcnewsletterohio@earthlink.net) or to Editor Nancy Martin, 4025 Andrews Road, Bellville, OH 44813.

**Did you recently move or get a new email address?  
Did you cancel your home phone or get a new cell phone number?  
Have you changed your name or joined a new church?**

**If you answered yes to any of the above questions, we need to hear from you!  
If you know anyone else to whom this applies, we'd like to hear from you!**

We are in the process of updating our membership roster and have noticed a lot has changed over the past few years. If it's been a while since you were on a team or attended a weekend, we ask that you take a moment to email\* our Archivist, Christine Brill, at [goosebrill@msn.com](mailto:goosebrill@msn.com), with the below information:

- Name (include former name if it has changed)
- Weekend # (please note movement if attended weekend other than OH-VdC)
- Mailing Address

- Birthday
- Phone (indicate home &/or cell)
- Email address
- Church Name & City

Also, we are always looking for individuals to serve as music chas and spiritual directors. If you play an instrument or are an ordained clergyperson that has yet to be identified, please let Christine know.

Pastor Al has given a double title to the talk he expects to give at the annual meeting:

**“Via de Cristo As an Alternative Wake-Up Call for the Soul”**  
Or  
**“Via de Cristo in Relation to a Spirituality for the Two Halves of Life”**

He reports that his talk integrates ideas and musings from three major sources:

1. **Falling Upward: A Spirituality for the Two Halves of Life** by Richard Rohr
2. **Close to the Bone: Life-Threatening Illness and the Search for Meaning** by Jean Shinodu Bolens, M.D.
3. **The Bible** and years of reflection on matters of spirituality, including over three decades of experience with VdC.

He gives assurance that his work with these resources is producing a talk he’s never given before.

He also gives assurance that even as he has learned much from his talk-producing study, he expects to learn yet more from listening to your responses to his sharings.

A final thought from Pastor Al: Have you ever noticed that arms that are preoccupied with steadying a climber on the ladder of success are thereby less free to give an “*ambrazo*” to a fellow traveler on the way?

He awaits the opportunity to give and receive your hug on the 28<sup>th</sup>.

Bio on Cathy Doering, candidate for re-election as Lay Director

I made my Via de Cristo weekend in Columbus, November, 2001 #44 where I sat at the table of Esther. I attend St. Paul Lutheran Church in Sharon Center, Ohio. I was on council for six years and was financial secretary and treasurer. I currently am an Assistant Minister, the chair of Mutual Ministry, the chair of the prayer shawl/scarf ministry, and recently was asked to join the new committee in charge of renovations of Fellowship Hall. I attended leader’s school in February, 2002, and worked my first weekend in November of 2002. I was asked to join secretariat by Jim Caldwell in 2006 and have held the archivist position, run leader’s school, and helped with rector school. I have been blessed and humbled to be elected to Lay Director two years ago. I have tried to keep the balance on secretariat of men and women. We have made some changes – monthly newsletters, and ongoing updates to our website to make it more user-friendly. I have been so blessed in my life through spiritual direction and Via de Cristo and would like to continue the work of the Lord in this position.

Bio on Gloria Kemmet, candidate for re-election as Secretary

I made my Via de Cristo weekend in Columbus, May 2003, #48 where I sat at the table of Ruth. I attend Kirkmont Presbyterian Church in Beavercreek, OH where I sing in the choir, serve as a deacon and in member-care ministry as a shepherd. I attended Leader’s School in August of 2003, worked my first weekend in October of 2003 and have served on 5 teams since. I am just finishing a two-year term as Secretary and feel blessed to serve in this position. I want to be faithful to Christ’s call wherever that leads me.
